

Vindana Hospital for IVF and Fertility Care

Achieves ISO 7101:2023 Certification

Setting New Standards in Healthcare

Excellence Continuing a Proud Legacy of Firsts in Sri Lanka

Vindana Hospital Achieves ISO 7101:2023 Certification Continuing a legacy of firsts in Sri Lanka.

The certification ceremony was held at Waters Edge, with Secretary, Ministry of Health attending as the Chief Guest. Following a comprehensive and rigorous audit of the hospital’s clinical, operational, and management processes, the ISO evaluation team awarded the certification in recognition of Vindana Hospital’s commitment to maintaining internationally recognized standards in patient care, safety, governance, and quality management.

The certificate was officially received by the Chairman of the hospital, Prof. Harsha Seneviratne. Also present at the ceremony were Joint Managing Directors Prof. Sumedha Wijeratne and Dr. (Mrs.) Manori Seneviratne, together with Directors Prof. Athula Kaluarachchi and Dr. Milhan Batcha.
